Dear Mike Peterson,

As you know, the life blood of any online business is being able to accept payments in the form of credit cards. It was not until becoming a customer of Frontline that I was able to rest easy knowing I was in good hands.

Thank you for the years of quality professional service you have provided to my business.

I am looking forward to continuing our relationship for years to come.

Sincerely yours,

A handwritten signature in black ink that reads "Jared Emin". The signature is stylized and cursive.
