Dear Mike,

As the President of the Sweet Grass County High School Booster Club I would like to personally thank you for all your help in your "It all begins at home" program.

This incremental recurring revenue stream provided by Frontline Processing has been a tremendous source of community pride and accomplishment for Big Timber and Sweet Grass County. Through Frontlines generosity we are providing numerous tools for our youth performers and athletes.

Your personal involvement has been a real asset in making this program such a success, it's nice to see your personal follow through and genuine interest in seeing this program succeed.

We look forward to continued years of success!

Thanks again,

Justin Todd

SGHS Booster President
